

Nambiti Hills

PRIVATE GAME EXPERIENCE

When the wilderness calls
and you are ready to be seduced by the romance of Africa,
when you wish to see lion, elephant, leopard, buffalo and rhino up close
in the sanctuary of a private game reserve,
when understated luxury is your everyday expectation
and privacy your privilege,
when you are willing to travel beyond your imagination
and explore the secluded intimate environment
of our boutique game lodge and its untamed surroundings,
when considered design is as important as function
and discretion is the order of the day,
when it is important to leave more relaxed and enriched
than when you came to stay,
then it is time you reserved your place
at **Nambiti Hills Private Game Experience.**

BEAUTY IS EVERYWHERE

Nambiti Hills offers intimate and luxurious accommodation in the midst of the spectacular African beauty of the Nambiti Game Reserve. It is a haven of sophistication surrounded by wild terrain. Perfect for anyone seeking both privacy and romance. Or simply time to reflect whilst searching for the Big Five or taking in the exquisite vistas from the quiet comfort of the lodge deck.

Ideal for private getaways for the discerning, intimate weddings or corporate strategy meetings. Nambiti Hills has a unique combination of wide open spaces and discreet intimate places. Its lofty glass-enclosed dining and lounge areas provide panoramic views of rolling hills and savannah by day, and thousands of stars in the clear night sky. A wide verandah with its neighbouring bar spills out onto a waterfall that splashes into a rock pool where guests can float on cushions whilst sipping cocktails. Four indoor wood fires and two outdoor Boma fires offer warmth, intimacy and another place to dine. There are also discreet enclaves leading off the bedroom suites where one can enjoy private meals and uninterrupted contemplation.

There are eight luxury suites and a honeymoon suite at Nambiti Hills Private Game Lodge, each one with a private viewing deck and an interior featuring a contemporary eclectic mix of local African design.

Nambiti Hills Private Game Lodge is nestled in the southern sector of the Nambiti Big 5 Game Reserve, 23 km East of Ladysmith. Ideally situated between Johannesburg and Durban, Nambiti Hills Private Lodge is an easy destination to visit for people from both cities. From Durban the travelling time is 2 ½ to 3 hours, approximately 240 km. From Johannesburg the travelling time is 3 to 3 ½ hours, approximately 340 km.

WHEN YOU'RE IN THE WILD, TIME IS OF NO CONSEQUENCE

23 km east of Ladysmith in the extraordinarily beautiful and geographically diverse KwaZulu-Natal, lies Nambiti Big 5 Game Reserve, home to elephant, lion, leopard, buffalo and rhino. As well as over 30 other animal species. It is also rich in birdlife and indigenous flora. Often described as 'heaven on earth', the Nambiti Big 5 Game Reserve is also home to Nambiti Hills Private Game Experience.

At Nambiti Hills, we believe in taking you on a holistic safari, covering all spheres of the eco-system, from the smallest insects and different grasses to the magnificence of Africa's best known beasts, in as much detail as you desire. Our extremely knowledgeable senior guide and tracker will plan a personal safari that takes into account your particular interests and requirements. You can explore the reserve by 4x4, on foot or via helicopter. Or all three, if you so choose. The reserve has its own airfield and helipad.

Nambiti Big 5 Game Reserve is close to the famous battlefields of the Anglo-Boer War and various other historic sites. It is also not far from the Drakensberg; a spectacular range of mountains with dramatic waterfalls, rivers, streams and caves that feature ancient San paintings on their rock faces. If you're interested in history, hiking and African culture, you will gain a great deal from a specially arranged personal tour of the area. Or you may decide that there is no richer pursuit than rest, and you will certainly get the best of that at Nambiti Hills.

IT'S NOT ABOUT ESCAPING, IT'S ABOUT FINDING YOURSELF

One of the rare beauties of Nambiti Hills is the privacy it affords you. Should you wish to retreat into the quiet comfort of your suite and commune with nature from your own verandah, you have that liberty. You can enjoy exquisite dining, right from your personal deck. Or, weather permitting, in a clearing in the bush, serenaded by the sounds of insects and birds and the occasional grunt of a wild animal. Even within the more public areas of the lodge, there are several lounges from which to choose, so you can find your own spot of seclusion. Or you can go with others on game drives and guided walks, and simply retreat to the private space of your own mind as you become one with the nature around you.

WHEN YOU HAVE FOUND YOUR PLACE ON EARTH, YOU WILL ALWAYS RETURN TO IT

WHERE LUXURY AND SIMPLICITY MEET

To be able to float in a rock pool and sip cocktails, soak side-by-side in extra large stone baths and view the magnificent landscape, be served Champagne and superlative cuisine out in the middle of nowhere. These are some of the simple pleasures of Nambiti Hills. To be surrounded by well-considered design, where the interior pays homage to the wilderness beyond by echoing its textures, shades, colours and shapes, whether it's an

ornament, cushion or lamp, or the patterns on the wall. Simple luxuries show such attention to detail and comfort. They are also about the attention to self, allowing you to totally relax in an aesthetically pleasing and extremely functional environment, affording you the discreet and attentive service to which you are accustomed. Of course, the greatest luxury of all, is simply to be able to spend time in Africa amongst the wild.

You can never really leave Nambiti Hills because the experience of being here will stay with you forever. From the delights of our fusion of African and international cuisine, to the excitement of walking in the kingdom of the lion, the discerning eclectic mix of African design and the secluded intimate environment that has been your home for the duration of your holiday. You will want to return here because, even if it were initially foreign to you, it is familiar now, an enriching and happy place that allowed you to just be.

THERE IS SO MUCH TO DO,
INCLUDING NOTHING AT ALL

Game Drives

Our Guides and expert animal tracker will take you through the rugged and pristine terrain of the Nambiti Big 5 Game Reserve in search of some of the most splendid animals in Africa. Along the journey, you will learn about the biodiversity of our grasslands, multitude of insects and the magnificence of the big five - elephant, rhino, buffalo, lion and leopard.

Birding

A paradise for birders, the Nambiti Big 5 Game Reserve is home to 263 different species of birds.

Walking Safaris

If you want to experience the wild on foot, our armed guide will safely guide you on long walks through the enchanting Africa bush.

Astronomy

There is something about gazing upward into an uninterrupted African night sky that captures us all. Weather permitting, an evening game drive or boma experience will be enhanced by tales of African folklore about the galaxy.

YOU DON'T NEED A REASON TO BE HERE.
YOU JUST NEED TO BE HERE.
